

Code of conduct for Homeshare UK Network Members:

- Your Homeshare scheme is a registered Charity or Community Interest Company or Local Authority
- Your scheme has a comprehensive range of underpinning policies including; Health and Safety, Safeguarding, Data Protection, Confidentiality, Equal Opportunities and Complaints.
- Your practices and process are transparent, clear and available to participants.
- Your scheme has appropriate insurance in place including; Public Liability and Professional Indemnity.
- Key elements of the Homeshare process are conducted face to face including site inspection, matching and where appropriate or requested by participants, some ongoing support.
- The Homeshare arrangement between the two parties is governed by an agreement that avoids creating a contract of employment or tenancy rights.
- Your organisation works within the Homeshare UK Quality Assurance Framework within the first year of membership.
- Your organisation signposts to other schemes or services when in the best interest of participants or potential participants.
- Your organisation contributes to the Homeshare UK network by sharing learning, contributing to our annual State of the Sector survey and sharing case exemplars when feasible.
- Your organisation keeps Shared Lives Plus staff informed of: media coverage, changes to contact details and staffing.
